Venue April 22<sup>nd</sup>–23<sup>rd</sup>  
We are fortunate to stage this event in the breathtaking surroundings of the beautiful "Herzogssaal" in the heart of Regensburg. Hotels "Bischofshof", Goliath", and "Achat" are in immediate walking distance.  
Address: Domplatz 3, 93047 Regensburg

Anatomic Dissections April 24<sup>th</sup>  
Per Regensburg tradition, dissections will be on fresh frozen specimen of excellent quality. State of the art instrumentations will be provided with compliments of Karl Storz Company.

- Prices
- Reduced (April 22<sup>nd</sup>–23<sup>rd</sup>) until Jan 31<sup>st</sup>: ..... € 450
  - Reduced (April 22<sup>nd</sup>–23<sup>rd</sup>) from Feb 1<sup>st</sup>: ..... € 500
  - Regular (April 22<sup>nd</sup>–23<sup>rd</sup>): ..... € 575
  - Anatomic Dissections (April 24<sup>th</sup>, 2 participants per head): ..... € 1075
  - Course Dinner (per person): ..... € 100

Registration includes lunch and coffee on site, pre-congress Cocktail get together.

Hotels, Transport, Registration  
Fly into Munich Airport; door to door shuttle transfer can be booked. Beautiful and moderately priced 4 star Hotels in 1 min walking distance in the heart of the old town.

# The European Course in Endonasal Rhinoplasty – Regensburg 2021

Ch. Bohr  
M. Constantian  
H. Gassner  
M. Goncalves  
N. Pastorek  
J. Tasman

"Live Surgery"  
"Anatomic Dissections April 24<sup>th</sup>"

Program Directors:	Holger G. Gassner, Abel-Jan Tasman
Cooperating Department:	ORL, University of Regensburg, Chair: Prof. Dr. Ch. Bohr
Organizing Committee:	Darinka Hanga, Frank Haubner, Rita Nunes, Franziska Schwan
Live Surgery:	Transmission from the „Finesse Center for Facial Plastic Surgery“
Anatomic Dissections:	Fresh frozen dissections "Endonasal and open techniques", Dept. of Anatomy, University of Regensburg, Chair: Prof. Dr. E. Tamm

## Dear Colleagues and Friends:

The world of rhinoplasty seems to experience an important shift towards the endonasal operation. Patients are increasingly requesting soft, minimally invasive techniques and preserving approaches. After the great success of the Symposia "Mastering Endonasal Rhinoplasty" in New York City 2018 and in Miami 2019, we are proud to present the first major scientific event solely dedicated to endonasal rhinoplasty in Europe.

We are honored to include globally recognized experts in the program. You will be presented with coherent solutions through deformity – oriented, encompassing presentations. The unsurpassed suitability of the endonasal operation to maximize preservation of skeletal structures and soft tissue compartments will become evident. Current controversies including management of the dorsum, extent of required exposure and indications for costal cartilage grafting will be critically discussed. Further aspects to be highlighted will include:

- understand and meet the patient's desires
- achieve naturally appearing results
- maintain a soft feeling nasal tip
- maximize patient comfort
- minimize tissue trauma and graft harvest
- utilize local anaesthesia and sedation in rhinoplasty

A full day of anatomic dissections will allow to practice all endonasal and open rhinoplasty approaches and techniques under expert mentoring. Basic and advanced concepts will be presented, applicable for younger colleagues, surgeons who would like to add endonasal approaches to their spectrum, and for the expert.

Regensburg, is one of Germany's most wonderful medieval towns, relaxing yet vibrant. The town is located close to Munich. Travel is easy through Munich airport, and hotel accommodation is affordable. Share the enthusiasm of over 1500 colleagues who have attended the past Regensburg conferences.

Please join us for this unique event and share a memorable time.

**Holger G. Gassner**  
**Abel-Jan Tasman**

## The European Course in Endonasal Rhinoplasty – Regensburg 2021

### Preliminary Program

Thursday	April 22 <sup>nd</sup>	Moderator
08:15–08:30	Welcome address	Bohr, Gassner, Tasman
08:30–08:40	EBCFPRS examination and certification	Gassner
08:40–09:00	Surgical anatomy of rhinoplasty	Bohr
09:30–12:00	Live Surgery	Pastorek, Tasman
12:00–13:00	Lunch Break	
13:00–13:20	Endonasal approaches and their indications	Schwan
13:20–13:40	Rhinoplasty under sedation: Techniques, indications, and limitations	Pastorek
13:40–14:10	The S.O.F.T. Concept in Endonasal Rhinoplasty	Gassner
14:10–14:40	The spare roof technique: Endonasal management	Goncalves
14:40 - 15:20	Break	
15:20–15:50	Middle vault reconstruction	Tasman
15:50–16:20	The over-projecting tip	Pastorek
16:20–16:40	The nasal valve	Haubner
16:40–17:10	The wide nose	Goncalves
17:10–17:40	Augmenting the dorsum	Tasman
19:30	Course Dinner	

### Preliminary Program

Friday	April 23 <sup>rd</sup>	Moderator
09:00–10:00	Live Surgery: Results from past courses	Pastorek, Gassner, Tasman
10:00–10:30	The asymmetric nose	Gassner
10:30–11:00	The under-projecting nose	Pastorek
11:00–11:30	Break	
11:30–12:00	Minimally invasive techniques: Literature review and a critical appraisal of terminology	Tasman
12:00–13:00	Lunch	
13:00–13:30	Minimizing dorsal irregularities	Goncalves
13:30–15:00	Panel: Case by case	All Faculty
15:00–15:30	Break	
15:30–17:00	Surgical Videos	All Faculty
Saturday	April 24 <sup>th</sup>	
09:30	Registration Department of Anatomy	
10:00	Dissections	
12:30	Lunch	
16:00	End of dissections and course	

### Please mark your calendar

**March 18<sup>th</sup> – 21<sup>st</sup>, 2021:**  
The 2nd European Ski Meeting in Facial Plastic Surgery – Davos
